Sultan Kudarat

Dear Prof. Ortouste:

Environmental Greetings!

Pleased to inform you that DENR-PENRO Sultan Kudarat will be conducting a one-day program, *DENR Services on Wheels* cum Seminar, Symposium, and Consultation—an initiative designed to bring DENR services closer to LGUs, NGOs, the academe, communities, and other concerned stakeholders. This event will take place on September 24, 2024. The following are the DENR Services on Wheels activities:

1. IEC lecture on the various DENR laws, rules, and regulations related to legal and illegal logging, wildlife, and land titling.
2. Public services, including land patent processing, applications, consultations, and seedling distribution, among others.

In this regard, we would like to invite you, along with ten (10) selected environmental science students from your office, to participate in the event. The event will be held at Isulan Municipal Gymnasium, starting at 8:30 AM and continuing throughout the day.

We believe your contribution to this critical initiative would be invaluable. Any queries you may have, please contact Mr. Abdulsalam O. Kusin through his contact numbers: 09488913013/09153045318.

We look forward to your participation!

Sincerely,

DIRIE P. MACABANING
OIC-PENRO Officer
